

Corrigendum: Spatial variation in risk of disease: a nonparametric binary regression approach

Julia E. Kelsall and Peter J. Diggle

Lancaster University, UK

[*Appl. Statist.*, **47** (1998), 559–573]

Equation (2.5) of the paper, on page 564, should read

$$\text{CV}_5(h) = n^{-1} \sum_{i=1}^n w_i \{s_i - \hat{g}^{-i}(x_i)\}^2.$$
